

February 7, 2017

To Our Valued Clients,

We hope this winter finds you well and in good health. As always, your care is of the utmost importance to us and we value the time you spend with each and every one of the practitioners here at Waterdown Village Chiropractic Group. As such, we want to keep you informed about a change coming to our team at the end of this month.

We are sad to announce that we are saying goodbye to our massage therapist, Lyndsay Shein, who has been an important part of the WVCG Family for the past three years. Lyndsay has been offered an exciting management position with a downtown Burlington business that she just couldn't pass up.

Lyndsay wanted to share the following message with all of you:

"I have been offered an exciting and challenging position with a reputable business in downtown Burlington and it is with a heavy heart that I have decided to leave my work family at Waterdown Village Chiropractic Group.

It has been my very great pleasure to be part of the team at Waterdown Village Chiropractic Group and I will miss my time with the incredible women here, as well as you, our patients. We are currently in the process of hiring a new registered massage therapist to ensure you continue to receive top quality care you have come to expect. I will continue to come to WVCG for chiropractic and naturopathic treatment myself, as I know firsthand that the care given here is of the highest quality.

Thank you for allowing me to be a part of your wellness journey and I look forward to the day our paths cross again."

Lyndsay's last day here at WVCG will be **Tuesday, February 28, 2017**.

Please know that your health matters to us and we are committed to finding the **right person** to fill the huge shoes Lyndsay will be leaving behind. We are continuing to book into March 2017 with the goal of finding that right person by then, but should we need the extra time to ensure the right fit for us and you, we will let you know as soon as possible. ***If you do have an appointment booked past February 28th, there is no need to change it at this point.***

As always, our entire team is here to make this transition as seamless as possible for you. Should you have any questions or concerns please do not hesitate to contact us at any time - 905.689.4440 or via email at info@wvchirogroup.ca.

Sincerely,

Dr. Cheryl van der Mark, B.Sc., D.C.
Clinic Director / Family Chiropractor
